

## Hub Life Customer Newsletter August 2022

Happy August to all of our customers!

It's been great to see on social media photos of your 2 wheeled adventures over the beginning of the Summer. We are delighted that many of these have been on bikes supplied by us. These total over 40 new bikes handed over to our customers since April. We have been prioritising our time on these, together with focusing on reducing our stock levels. We are delighted to say that we are just waiting for a further couple of pre ordered bikes for our patient customers to complete our portfolio of new bike smiles!

Piotr is away for much of August, visiting family and friends in Poland, so therefore unless you already have your bike booked in with us, we are sorry that we are full.

During August we are recruiting staff for the resumption of a more traditional drop in shop and the re-opening of the coffee counter, both to go live in September. For August we still have some great deals to be had on summer clothing and Met helmets, MTB SPD shoes and one or two bikes. We are pleased to be able to offer drop-in days on Mondays 10am-3pm and Tuesday 10am-4pm. The coffee counter wont yet be open, but we will happily sell you a cold drink and a snack bar!

Website update - Hopefully you will have noticed that we now have our shop floor bikes for sale on our website. We will be keeping this up to date along with the latest plans and progress at The Hub. Please do get in touch if there is anything more you'd like to see, we aim to please 😊.

In line with our desire to offer top service we have changed the layout of our retail space and workshop. The main entrance has returned to the door nearest the road and we have set up a bike park area near the fence as you enter the car park. Please ask for the latest combination if you wish to make use of the kryptonite locks on our bike racks.

Please do pop in on Mondays or Tuesdays, we love to see you and show you the latest products we have in stock - or try and tempt you with an item from our Big Summer Blowout 50% sale.

Happy pedalling.

Theresa
